JUNE 2018 3 SUN	PORTRUSH PRESBYTERIAN CHURCH Pray for Rev John as he conducts our services of worship today, also remembering all who participate in its leading in any way- welcoming –music- singing- IT and sound- and hospitality afterwards. Pray for all who visit with us especially over the summer period. Pray for our Afternoon Sunday School where today will be their final meeting before the summer break. Ask God's blessing on the evening communion service.
4M	Pray for our Presbyterian General Assembly as it meets in Belfast this week –Monday to Thursday. Ask God's blessing upon and guidance in all the important business to be dealt with. Especially pray for Rev Noble McNeely as he steps down and for Rev Charles McMullen as he is installed as moderator of the General Assembly for the year ahead tonight. Pray for the special Assembly Rally (Wed) and Youth Night (Sat)
5T	Pray for Christians all around the world who suffer for their faith. During the period of Ramadan (which runs through until 14 th June) Christians can stand out even more by their non- participation in it, in Islamic countries. Especially uphold the work of Open Doors seeking to help victimised believers in these places, and bring the gospel too.
6W	Pray for the Scripture Union E3 Schools Project and for a replacement person to carry on the excellent work done by Adam McCready. Ask God's blessing on all the SU Groups meeting in the schools. Pray for the 'Its Your Move' booklet distribution to schools.
7T	Pray for our government and all in positions of responsibility in these days of great transition over Brexit. Pray that leaders will never lead our nation wrongly through love of power, or unworthy ideals. Pray rather for them true wisdom and a love for 'right over might'.
8 F	Pray for those within our church family who are ill at this time. Ask for God's healing touch to be upon them –if that be His will. Above all pray for those dealing with long term illness that they will know God's help to be patient, to grow in grace and be a witness for their Lord through their suffering.
9 S	Today sees the final meeting of Reality 3:16 for the session. Ask God's blessing for all who facilitate the teaching today. Pray especially that all those who have attended the course will have grown in their faith and knowledge through it - and of course be enabled to use what they have learned in their day- to- day interaction with people who have no living faith in God.
10 SUN	Pray for our services of worship today- asking for hearts to truly worship Him as well as minds that are attentive to His Word. In the evening service pray for Colin and Marjorie Dixon - PCI mission workers in Israel, who will share something of their work and challenges in reaching out with the Gospel there.
